To all coaches:

Below is the exam schedule for the 2019-2020 school year. When scheduling your teams season schedules, please be mindful of the dates below as contests may not begin before 2:00 P.M. on a testing date. When we host an exam at Mepham, field practices are permissible, but the students must remain quiet and exit the locker room by 8:00 A.M. Additionally, try-outs are not permitted during scheduled exam times and students can not be held accountable for missing a practice due to an exam. Thank you in advance for your cooperation.
