

Bellmore-Merrick
Central High School District
SEPTA *Special Education PTA*

August 2018

Dear Students, Parents, Teachers, Staff and Administrators,

Bellmore-Merrick Septa is an organization that strives to unite all of us with common goal: to help students in the Bellmore-Merrick Central High School District become the very best they can be and move on to a bright future. It is our hope that, with your help, SEPTA can continue the innovative programs already in place in our district while we move forward with your ideas for the future.

We have big goals for this year and we need YOUR help! We are looking to improve the existing programs and for new ideas. We have committees for the planning and execution of the College Night and Transition Fair. We need Representatives for Site-Based Committees (for each building) and each of our school's PTAs. One of our goals is to expand SEPTA support of programs in all the buildings to foster a stronger sense of inclusion for students with special needs. All of our programs are funded by your membership dollars so please be sure to fill out the SEPTA membership form on the bottom of this page and send it in with payment to your home school.

SEPTA membership also brings eligibility for a variety of awards (both monetary and honorary) given at the end of each school year.

These awards are given to those who might not otherwise receive recognition.

Please join and pass along your questions and ideas by emailing us at:

bellmoremerricksepta@gmail.com or friend us on Facebook at Bellmore-Merrick Septa.

Sincerely,

Bellmore-Merrick Septa
